

August 2010

Vol 5 Issue 56

The word is out re the possibility of a group of DD's heading to WA for the 2011 Anniversary Rally at Kalgoolie—what do you think?!!

A “catch up” before Berrilee Rally.

Hi everyone

The time is fast approaching for us come out of hibernation and meet again at Berrilee on Friday 20th August 2010.

Remember the previous Communiqué re voting—if you haven't voted (absentee—or done it earlier) we will have

“Where East Meets West” transport to take you to Westbury for your tick & flick and get marked off as a “voter”. This will happen on the Saturday morning.

Please remember to bring along a bag of wood-no doubt we will need a fire going (inside & out).

I have a few bottles of the Dalrymple wine left from the 2010 Safari so if you want some let me know.

Not sure how many we will get there-still a bit cold, but enjoyable. Bingo on Saturday night, as previously, please bring along a prize-something out of your cupboard as we did at Bell Bay last rally. Your hosts for this rally are:

Veronica, Peter & Maree (not as indicated in the Wanderer)

Regards Don M

From our mainland traveler members:
Sam & Barbara are still on Bribie Is, whilst having recently made a couple of rush trips south for funerals. Should be back sometime in November 2010.
Lyn and Glenn are somewhere north of Brisbane (I think) —I heard from Lyn the other day by email to indicate they were moving south and may be home earlier than expected.
Greg, Sue Amos & Brain , Jean are I believe somewhere between here and WA—hope all is going well for them - drop us an email.

Any truth in the rumor than some of our members are looking for replacement or an opportunity to upgrade their rigs!!

Believe Sharon & Jim, Lyn & Mike successfully sampled the hospitality of the Blue Gum Rovers at Tunnoch and also the Island Wanderers at Tunbridge over the period of the DD's hibernation.
No doubt some good points to raise around the campfire

Quick Committee meeting 2pm Saturday afternoon please.

Dalrymple Drifters “Communiqué”
