

## January 2012—Jayella Farm & Bridport

Well the new year is upon us—so it's a Happy New Year and all that to you and your family.

This issue of the Communiqué see's us starting Vol 7 and our 71st issue. Never thought it would happen - I have thought about making a DVD with all the copies on it from the start of our Chapter—let me know if anyone is

“Where East Meets West”

interested in a copy—it is certainly a great history of our Chapter life over the last six+ years-there will only be a small cost (say \$5 for a disc completed) any funds over and above the actual costs of the discs can go to the Chapter funds. Well again the Chapter gathered at Jayella Farm to see the new year in. Not a great turn up but I believe those that did get along enjoyed themselves. We didn't make it for the actual New Years celebrations but made two day trips to catch up with members.

Bridport was another story, (11 rigs in total) although the number of grandchildren appeared to be down a little –perhaps they are growing up!! - It's our 5th year for a GC's rally so they must be putting on a few years. When you look at the early photos of our first, you can certainly notice that. A big thank you from all, to Sharon & Jim who hosted both rallies, right in the middle of moving house as well. Bridport is certainly a wonderful site. Special wishes to Wendy Dawson who is not the best at present –hang in there mate, our thoughts are with you and Tony.

# Jayella Farm - New Years Rally Photos

Raffle ticket preparation at  
Bridport for Feb TCCR

## **TCCR - February 2012—update**

At the time of this Communiqué—we are FULL—we have 225 bookings with a considerable number (approx 70 rigs) coming from the mainland.

We have a waiting list with very few on it—thank goodness—I acknowledge that perhaps all who have booked won't turn up—but I would be a fool to say that we won't have anyone extra rock up to the check in without booking in prior to the rally!!

Barbara Mackrill has been appointed (probably more appropriately - taken up the offer) to be our Chapter Disc Bowls organizer. If you are interested see her ASAP or give her a call re participating.(0429015041). There will be three comps on the day Mens' triples—Ladies' triples—Mixed triples.

Deb Smith will now be organizing our Farewell BBQ—thank you Deb for stepping up to the mark. She will need some assistance with the actual cooking so please give Deb a call (0458 261 215). We could be providing a BBQ for approx 375 people—so yes Deb will need a hand—please assist if possible.— a call to Deb wouldn't go astray

DD's members that are coming in early (8th Feb 12) - we can get onto the ground from around 10am. Please park on "the hard" around the Round House area, till either Barry C or Jim R give the OK to relocate. Any members coming in on Wednesday will need to check in and pay their rally fees, this will occur immediately before HH on that day. HH will also include a discussion on "how we are at the present & are we ready for Thursday morning?"

## **New member:**

I had a visit from a previous CMCA member in George Town the other day, Ron Kirkwood, who is 85 years old.

Ron is keen to get back into the CMCA - he was previously a member some considerable years ago.

Ron is building a 7 meter rig and is looking forward to attending the TCCR in Feb.12

## **Future Rallies**

*Please note this information is not provided in-lieu of that provided in the Wanderer.*

### **February 9th to 14th inclusive**

TCCR hosted by DD's

# Grand Children's Rally Bridport January 2012

What a  
venue!!

“The Rigby Clan”

Gigi W & Sue A – deep in discussion

## Monthly Rally Hosts

We are in desperate need of monthly rally hosts for some of our forthcoming monthly meets. (refer to your Rally Calendar sent out with last months Communiqué)

If we share this task around amongst our members it is quite easy for all involved—if the same old members just step up –then perhaps we get the same old happenings at our monthly meets.

If there are members interested in “having ago” please speak with either myself or Secretary Sharon re the tasks involved—or for that matter any member that has completed the function previously– I can assure you it is not difficult—but we do need some volunteers

I therefore appeal to members, seek your support & ask you to have ago.

Don M Chapter President.

# Childrens' Party & lets' play

DD's construction crew.

Our younger Crew  
Ready to party on!!

## Slippery Dip

Even an "oldie" got into the action—good onya Barb
