

January 2007  
Issue 15

G'day to you all.

Good morning all and a Happy New Year for 2007 – just a short Communiqué - **but an important one!!**

And more to the point:-

## Happy 1st Birthday.

On 6th January 2007 the Dalrymple Drifters have achieved their first milestone and congratulations to all who have been involved.

Congratulations to all who been re-elected and or elected into positions on our committee, I'm sure that Deb will look after the Chapter while Sue & I are away on the mainland from April to Sept 2007. Goodness that's scary, only about 14 weeks till we sail. I heard at the New Years "get-to-gether" that Johnny Pether is also going up to Barcaldine for the 2007 Anniversary Rally. It will be great to have him along with Barry & Claire - any one else thinking of going?

Our New Years Eve function, whilst small was enjoyable and those who made it to midnight certainly told a few tales sitting around the fire till the hour arrived. Wasn't long after that and there was no one to be seen around the fire - all made a somewhat quick exit to bed. Deb and her able helpers assisted with a baked meal (meat cooked on the spit) and we had a bout 35 in attendance for that (brigade members joined in). We visited Albert & Dallis over Christmas at Myrtle Park and made the booking for the March 2007 Rally - got a good spot on sites 5 & 6 - the opposite side of the park from the previous year.

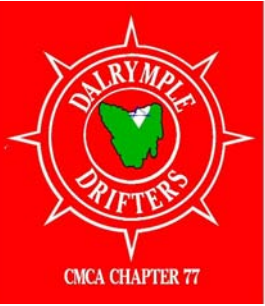

Looking forward to seeing you at Blessington.

Regards Don M T16082
