

March 2007
Issue 17

G'day to you all.

Hey, what a great weekend rally we had at Myrtle Park. The problems I had re Friday night did not go un-noticed, but in my defense I must say that I struck a bad cask of red wine, which unfortunately upset me. These things happen. As I've said before - "don't let me do that again". Great fellowship and discussion took place during the rally - a brief discussion on GT 2008 occurred - more scheduled for our 10am meeting Saturday at Bellingham.

Sorry there were a couple of mishaps during the rally. Wendy's sprained ankle and the case of a missing purse. But all ended well, or as well as it could in Wendy's case.

Wendy has asked me to convey her appreciation to those who assisted her at the time of her mishap. We hope all is on the mend with the ankle. No more fishing excursions or at least none where there is not a good firm, flat standing area. The missing purse created some angst amongst us all. However a good lesson learnt. Remember to secure your motor homes during happy hour and other times when you are not immediately in the area, especially when we are rallying where a number of other campers are present and walking around.

Thank you to Albert & Dallis for arranging the March Rally-well done-top effort.

Bellingham Rally:

Acting Pres Deb has asked that members be reminded re the veggies and fruit for our Saturday night meal. The Chapter will buy the meat for our baked meal, members are requested to bring some spuds, carrots, parsnips etc for the meal and also some fresh fruit for the fruit salad. Deb has also asked that some members bring along electric fry pans to assist with the cooking (Please ring Deb on this one 0400 755 666). I have also arranged for our web master Brian C to come out on Saturday around midday to assist us with some computer problems - email sent out to members some weeks ago. Regards Don M T16082 Chapter President

Hurry up—your shot

Quite please-members bowling

Closer please !!

Disc bowls practice at MP - is that an up and coming coach pointing out the mistakes!!

Right down there!!

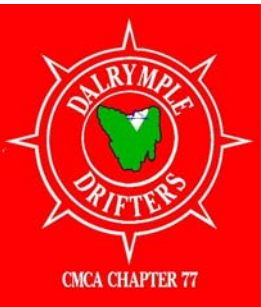

New rig "on the block"

Happy Hour & sing-a-long

Dalrymple Drifters "Communiqué"

New Members:

Our latest members joined us at Myrtle Park. They are Peter & Petah Harley who live at Pipers Brook. They have recently acquired their rig which is manufactured on the eyes watching Peter (and on wheels" at Myrtle Park. chief of Pipers Brook Bri-Town RSL. He will be along with other members elling to Gallipoli this An-France.

No doubt a report in the future. Welcome to you both and we all look forward to many happy times together.

Whilst at Myrtle Park we were visited by two couples who are motor homers from Scottsdale. Both were very keen and certainly (we believe) appreciated our company at Myrtle Park. Both couple have indicated they would like to join the Chapter and we look forward to seeing them again, hopefully at Bellingham in April.

Remember this motor home? us at Hillwood last year as a quired motor home. They have ting to know their rig and hav-warded them a membership that.

It belongs to Greg & Sue Cash from Launceston. They visited day visitor. It was virtually their first run in the newly ac-recently made contact again re joining our Chapter after get-ting done a few more trips around the state. We have for-form and hope to see them soon at Bellingham or a rally after

George Town 2008 Tassie Combined Rally

Thank you to the members that assisted in measuring out Regent Square since our rally at Myrtle Park. At this stage we believe we can locate approx 350 rigs (of various sizes) on the Square. We are following up on an overflow area very close by (just across the road). Most recently Committee members Deb, Barry and I met with the George Town Council officers to discuss matters such as, toilets, showers, grey water, entertainment, alcohol, security and a number of other matters.

We have endeavored to establish a monthly meeting with Council (commencing May 2007) to keep abreast of any concerns etc. More on this and other matters re 2008 at our scheduled meeting 10am Saturday morning at Bellingham.

Maree Kent.

Sue & I both spoke with Maree after her recent hip operation. She advises that all is well and she was up the same day of the operation –albeit for a very short time. Our best wishes to Maree as she gets back on her feet.

Next Rally Piper Brook Fire Station

Deb & Norm hosts 18th 19th & 20th May 2007

No power (some medical) - Toilets

\$10.00 per rig for the rally

Refer web page for more details etc

This rally has been moved back in the month - please note change of dates.
